FIRE WARDEN / MARSHALL (*incorporating a freeburn exercise)
Duration 1 day

Session 1 The role of the Fire Warden / Marshall

- Principle duties of the fire warden.
- Relevant legislation.
- Fire hazards.

Session 2 Training and fire procedures

- Correct action on discovering a fire.
- Raising the alarm.
- Evacuation procedures.
- Human behaviour in fire.

Session 3 Fire fighting equipment

- Classes of fire.
- Types of fire extinguisher.
- Correct selection and operation.

A practical training session is incorporated which can give "hands on" training to students involving them in real fire training and personal evacuation techniques. Students will also experience evacuation of a *smoke filled room and the methods of fire extinguishment using fire extinguishers and a fire blanket.

*Only if students attend the course at Barmston Mere Training Centre.

All students who successfully complete the course will be awarded a certificate of attendance.

COST
Course held at Barmston Training Centre

The charges are £127.00 per person, excluding VAT
